The Chair wished to thank David for all his hard work on behalf of the Council.

The following email was received from Mr & Mrs Kitchen:

“We have noted from the council meeting agenda that Councillor David Lowde has resigned. We would like to thank David publicly for all he has done for the community during his time as a member, including a period as Chairman.

He has always had the interests of the residents of the council area foremost in his mind and brought a steady and common-sense approach to decision making.

This is particularly true of the period of turmoil within the council a few years ago, when rash and even illegal procedures were allowed to occur as a result of poor leadership. David, with his colleagues, led the council through this difficult period and, I believe restored the community's trust in its council. We are confident that David's calm and much more open approach to all matters will continue to be evident within the council and pave the way for the future. This would be a deserved legacy for David, who has been a hard-working and very effective councillor.

With all our best wishes to David and the rest of the council.”
